

S-Subscription

Project: github.com/awika-varathon/automationexercise

 awika varathon

Subscription section is at the bottom of every page.

The screenshot displays a web page with three product cards at the top and a subscription form at the bottom. The product cards are:

- Stylish Dress**: Rs. 1500, Add to cart
- Winter Top**: Rs. 600, Add to cart
- Summer White Top**: Rs. 400, Add to cart

The subscription form is titled "SUBSCRIPTION" and includes a text input field for "Your email address" and a "Submit" button. Below the form, it says "Get the most recent updates from our site and be updated your self...". The footer contains "Copyright © 2021 All rights reserved".

The right side of the image shows the browser's developer tools. The top panel displays the HTML structure, highlighting the subscription form's input and submit button. The bottom panel shows the CSS styles for the form, including the "a#scrollUp" button.

Click button 'Submit' >> Shows message 'You have been successfully subscribed!'
